

Feminism & You

This short freewriting exercise is designed to get you thinking about feminism and the role it plays in your work at Alverno. Take 5 minutes to write down a few thoughts or ideas. You will not be asked to share what you write here, so feel free to jot down quick bullet points. Whatever works for you!

What does feminism look like to you? Which ideas are foundational to your feminism?

How do your ideas about feminism inform your work at Alverno?
